

Heartbeat

by Roland Albertson

Why'd you have to say,
That this has to stop,
No I can't take this again.
I can't make this mistake,
No I won't let go,
'Cos I know I won't be saved.

How can I breathe when my heart's stopped beating,
And how can you say that you don't even feel it,
Make it beat, can you make it beat again?
How can you leave when I'm sat here bleeding,
And how can you say that you don't even need me,
Make it beat, can make it beat?

Oh can you feel my heart beat?
Can you feel my heart beat?
Can you feel my heart beating?
(repeat)

But you're not like anyone,
I've ever met,
We just seem to think the same.
And I'm scared that you've become,
A part of me,
I can't let you tear away.

How can you sleep as I lie here reeling,
I'd do anything just to stop this feeling,
Make it beat, can you make it beat again?
And how I can be this weak and needy,

I cannot believe that you don't wanna see me,
Make it beat, can you make it beat?

Oh can you feel my heart beat?
Can you feel my heart beat?
Can you feel my heart beating?
(repeat)

Ahhhhh
Ahhhhh-yi-ahhhh
Ahhhhh
Ahhhhh

Oh can you feel my heart beat?
Can you feel my heart beat?
Can you feel my heart beating?
(repeat 2 more times)
